CASE IS CALLED FOR an Order to Show Cause hearing ordered by the Magistrate Judge for defendant's failure to comply with his conditions of supervised release.

Defense counsel informs that the defendant is not contesting the five (5) allegations as so informed by the probation officer (see docket #650), however, he does reserve the right to present any arguments regarding those issues before the presiding judge at the revocation hearing.

After hearing the parties, Magistrate Delgado finds probable cause for the revocation of the supervised release term. A report and recommendation will be issued.
